

RECRUITMENT AND INDUCTION POLICY

Rationale

Forfar ELCC along with Angus Council is committed to safeguarding and promoting the welfare of children in its care. A robust recruitment and induction process is vital to support newly appointed staff, students and volunteers to 'Get It Right'. The induction process should confirm that the staff have the knowledge and understanding to ensure that all children have access to high quality interactions, experiences and environments which promote their learning and development. Staff should be supported to have a clear understanding of their roles and remit and abide by the standards from their professional body.
